Regional Grants were received for stormwater investigations as well as recycling. ECC is the sponsor of the senior games and assisted with hurricane kits for seniors. ECC promotes leadership throughout the region Sue Powell; Lenoir County Transit Coordinator received the 2007 Leadership Award. ECC has started initiatives supporting "Retirees as Economic Development". Mr. Harper asked how many people are employed with ECC. ITEMS FROM THE COUNTY MANAGER

Mr. Taylor asked how was the development of a wellness program going for the county. Mr. Jarman stated the department has started the research for a wellness program and should present a program this fiscal year.

Mr. Taylor stated he attend a Golden Leaf Foundation Meeting in Edgecombe County. Mr. Jarman stated the GoldenLeaf Community Assistance Initiative establishes grant programs that targets communities of need and provides direct support for projects that significantly enhance the quality of life for citizens within those communities. Proposals will be invited from targeted communities for projects that will help to stimulate economic activity or provide assistance in overcoming barriers to economic transition or community progress. The grants could go up to \$2 million; it will be a community effort to decide projects of importance. ITEMS FROM THE COUNTY MANAGER

Item No. 2 was Items from the County Manager. Mr. Jarman highlighted jail issues for the Board and the viewing public. Mr. Jarman reviewed the jail timeline for the Board and the viewing public. Mr. Jarman stated he wanted to show the public how long the jail issue had been discussed by the Board of Commissioners. Lenoir County has spent \$110,000 since January 2008 to house inmates in other facilities. Jail overcrowding is not just a Lenoir County issue. Several counties in eastern North Carolina are having overcrowding issues. Duplin County was mandated by the state to decrease their jail population. To prohibit the same action, the Sheriff's Department has already transferred inmates to other facilities. Mr. Humphrey expressed the concern that the public was not notified the Board would be discussing and voting on the jail issue. Mr. Taylor and Mr. Griffin stated the Board discussed in open session at the last meeting that a work session would be held regarding the jail issue. Mr. Jarman stated due to citizen and Commissioner concerns, he developed the jail timeline and a question and answer section to help all citizens understand the process that is developing.

Mr. Roger Dail, Emergency Services Director addressed the Board. Mr. Dail addressed a letter from the National Weather Service. Lenoir County has been declared StormReady. The recognition will be valid for three years (2008-2011). The recognition will expire on August 1, 2011.

RESOLUTIONS

Item No. 7A was a Resolution Requesting the Establishment of Fees for Rabies Vaccinations. Mr. Joey Huff, Health Director, addressed the Board. Mr. Huff stated the Board is asked to establish the fee for rabies vaccinations at \$8.00 to be administered at county sponsored Rabies Vaccination Clinics. NCGS 130A-187 requires the local health director to organize and assist other organizations to conduct rabies vaccination clinics annually. NCGS 130A-188 requires the Board of County Commissioners to establish the fee for rabies vaccination at county sponsored vaccination clinics. Rabies Vaccination Clinics have been scheduled for Tuesday, September 9, 2008 (Animal Hospital of Lenoir County, LaGrange) and Thursday, September 11, 2008 (Countryview Animal Hospital, Northside Animal Hospital, and Riverbank Animal Hospital). Upon a motion by Mr. Harper and a second by Mr. Davis, Item No. 7A was unanimously approved.

Item No. 7B was a Resolution Authorizing the Lenoir County Health Department to Execute a Purchase Order to Natus Medical, Inc.: \$5,495. Mr. Huff stated the Board is asked to grant permission to execute a purchase order with Natus Medical, Inc., for the purpose of purchasing an Echo-Screen DPOAE set (includes hearing screener, carrying case, accessory pack, 2 ear probe

cables and label printer; one year warranty) to provide hearing testing in the Child Health Clinic. The Echo-Screen DPOAE set is the screening device recommended by the N.C. Division of Public Health Services to provide hearing testing for children, and is a required component in order to bill for a Child Health Hearing Screening Service through the Medicaid Program. Upon a motion by Mr. Davis and a second by Mr. Stroud, Item No. 7B was unanimously approved.

Item No. 8A was a Resolution Approving Purchase of Mobile Shelving System: \$35,966. Major Chris Hill of the Lenoir County Sheriff's Department addressed the Board. Mr. Hill stated the Sheriff's Office is charged with investigating crime in Lenoir County. During the course of criminal investigations specific items of evidence are collected and are eventually used for presentation for court purposes. Currently the Sheriff's Office has two rooms that warehouse evidence. It is estimated that these two rooms contain over 1000 articles of evidence such as money, knives, guns, blood soaked clothing, prying tools, bullets, electronic etc. Over the years evidence has continued to mount and as a result the rooms are packed to capacity. Currently the rooms have static shelving consisting of wood shelves attached to the walls. This type of design is not user friendly when trying to locate specific pieces of evidence nor does it properly utilize every inch of space within these rooms. Patterson-Pope is a company that designs shelving systems that move along tracks in the floor. The shelving units contain shelves that are mobile and can be easily moved from one side of the room to the other allowing the user to access items in a different shelving unit. This type of design utilizes almost all of the space in the room and allows the user to easily locate specific pieces of evidence. Patterson-Pope has installed these shelving units at the State Bureau of Investigation laboratory and at other law enforcement agencies in North Carolina. The total cost to outfit both evidence rooms is \$35,966. The Sheriff will use State Controlled Substance Tax funds to purchase the units. The Sheriff respectfully requests the Board of Commissioners to approve the purchase of the mobile shelving system from Patterson-Pope. Upon a motion by Mr. Harper and a second by Ms. Brown, Item No. 8A was unanimously approved.

Item No. 8B was a Budget Ordinance Amendment: State Controlled Substance Fund: Sheriff Controlled Substance: \$35,966: Increase. The Amendment appropriates Funds from the Fund Balance of the Sheriff's State Controlled Substance for the purchase of shelving units. Upon a motion by Mr. Harper and a second by Ms. Brown, Item No. 8B was unanimously approved.

Item No. 9 was a Resolution Approving Land Exchange between Lenoir County and the State of North Carolina. Mr. Griffin addressed the Resolution; Mr. Griffin stated on April 25, 2008 the Lenoir County Board of Commissioners approved four (4) Economic Development Grant Agreements between Lenoir County and Sanderson Farms, Inc. Sanderson Farms announced plans to invest approximately \$126.5 million in Lenoir County to construct a state-of-the-art poultry complex comprised on a new poultry plant, feed mill, hatchery and spray field that will create approximately 1,650 new jobs at full capacity. On June 30, 2008, Lenoir County purchased 94.188-acre tract owned by Perry Brothers Properties, LLC and a 35.978-acre tract owned by William T. Parrott, III and Robert J. Parrott in order to swap for land owned by the State of North Carolina. The land intended for the swap is a 96.08-acre tract in Lenoir County situated in the Hwy. 70 West Industrial Park owned by the State of North Carolina. The land is located west of Parrott Dickerson Road, and bounded by the North Carolina Rail Road on the southern border and Banks School Road on the northern border. Lenoir County will swap land formerly owned by Perry Brothers Properties LLC 94.188 acre tract, and 35.978 acre tract belonging to William T. Parrott, III and Robert J. Parrott for the 96.08 acres of property owned by NC Department of Agriculture. This trade would include \$109,000 additional compensation per the appraised value. After a public announcement to proceed

by Sanderson Farms, the sites that have been designated for the Feed Mill, Rail Loop and the Hatchery would be made available immediately. Upon a motion by Mr. Stroud and a second by Mr. Davis, Item No. 9 was unanimously approved.

Amendment No. 1 was a Budget Ordinance Amendment: General/School Capital: Finance: \$602,320: Increase. Mr. Tommy Hollowell, Assistant County Manager addressed the Board. Mr. Hollowell stated the Amendment budgeted in the prior year (07-08) the required Hold Harmless payment from the County to the Schools. This payment is a requirement of the state Medicaid Relief Laws of 2007. As a condition of the state assuming the Non-Federal Portion of the Medicaid Burden, counties are required to hold the school harmless for their loss in ADM funding. The amount of the Hold Harmless payment for Lenoir County is \$301,159.19. The North Carolina Department of Revenue calculated this amount. Upon a motion by Mr. Davis and a second by Ms. Brown, Amendment No. 1 was unanimously approved.

Resolution Authorizing the Approval of a Blanket Purchase Order for CDS: \$4,900

SUBJECT AREA: Financial

ACTION REQUESTED:

Authorize the approval of a blanket purchase order for CDS to purchase equipment for the Emergency Operations Center in the amount of \$4,900, from account number: 10-4201-6402.

HISTORY/BACKGROUND:

The Lenoir County Emergency Services Department is responsible for public safety during times of emergencies/disasters. For large events, this requires an Emergency Operations Center (EOC) activation. This type of activation requires a multitude of personnel to perform many different tasks during the operational periods, until the county has returned to a state of normalcy. Grant funds were received by the State in the form of a supplemental Emergency Management Performance Grant this past fiscal year and are to be used for such purposes as upgrading Emergency Operations Centers.

EVALUATION:

Staff has determined that CDS can provide the electronic equipment, at a comparable cost, with local technical support, to manage an effective emergency operations center. This would ensure the grant funds are being expended effectively.

MANAGER'S RECOMMENDATION:

Respectfully recommend approval.

RESOLUTION

RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION FOR APPROVAL OF A FINANCING AGREEMENT AUTHORIZED BY NORTH CAROLINA GENERAL STATUTE 160A-20

WHEREAS, the County of Lenoir, Kinston, North Carolina desires to borrow up to \$1.6 million for the purpose of constructing Lenoir County Shell Building No. 3 and authorize Lenoir County to provide the Note and Deed of Trust and all related documents to secure said contract (the "Project") to better serve the citizens of Lenoir County; and

WHEREAS, the County of Lenoir, Kinston, NC desires to finance the Project by the use of an installment contract authorized under North Carolina General Statute 160A, Article 3, Section 20; and

WHEREAS, findings of fact by this governing body must be presented to enable the North Carolina Local Government Commission to make its findings of fact set forth in North Carolina General Statute 159, Article 8, Section 151 prior to approval of the proposed contract;

NOW, THEREFORE, BE IT RESOLVED the Board of Commissioners of Lenoir County, North Carolina, meeting in regular session on the 2nd day of September, 2008, makes the following findings of fact:

1. The proposed contract is necessary or expedient because a basic shell building is one of the most effective "drawing cards" a community can have to attract clients. Currently there are only three available shell buildings within the Region and approximately 85% of projects expanding/relocating to a community go into an existing building. Lenoir County has historically been very successful with Shell No. 1, now owned/occupied by Lenox China; and Shell No. 2, now owned/occupied by West Pharmaceuticals. Either directly or indirectly, Lenoir County can boast that numerous companies have expanded or relocated to Lenoir County because we had an available building.
2. The proposed contract is preferable to a bond issue for the same purpose because Lenoir County, being one of the thirteen counties within NC's Eastern Region as established by N.C.G.S. 158-30 et seq., is the beneficial owner of a certain share of the "trust funds" collected within the Region and administered by the NC's Eastern Region. Lenoir County will apply to the NC's Eastern Region for a "low interest" loan from said *trust funds* in an amount up to \$1.6 million for the construction of a shell building within Lenoir County.
3. The sums to fall due under the contract are adequate and not excessive for the proposed purpose because the construction, cost and rate of interest are below current market rate.
4. The County of Lenoir, Kinston, NC's debt management procedures and policies are good because the county strictly adheres to the debt management policies of the North Carolina General Statutes and the North Carolina Local Government Commission.
5. The increase in taxes necessary to meet the sums to fall due under the proposed contract will be 0.18 cents per \$100 valuation and is not deemed to be excessive.
6. The County of Lenoir, Kinston, NC is not in default in any of its debt service obligations.

7. The attorney for the County of Lenoir, Kinston, NC has rendered an opinion that the proposed Project is authorized by law and is a purpose for which public funds may be expended pursuant to the Constitution and laws of North Carolina.

NOW, THEREFORE, BE IT FURTHER RESOLVED that the Lenoir County Manager is hereby authorized to act on behalf of the County of Lenoir, Kinston, NC in filing an application with the North Carolina Local Government Commission for approval of the Project and the proposed financing contract and other actions not inconsistent with this resolution.

This resolution is effective upon its adoption this 2nd day of September 2008.

The motion to adopt this resolution was made by [Commissioner _____} _____, seconded by [Commissioner _____} _____ and passed by a vote of _____ to _____.
