

Lenoir County Solid Waste Department's Municipal Solid Waste Transfer Station located at 2949 Hodges Farm Road in LaGrange will be closed Sept. 18th through Sept. 23rd. We will not be accepting any household trash (which includes furniture and mattresses) during this time at the landfill. We will continue to accept land and construction debris, demolition debris and white goods. Household trash (no furniture or mattresses) will continue to be accepted at our nine convenience sites. We will reopen on Monday, Sept. 25th at 8 a.m. Waste Industries Transfer Station located at 2287 Leslie R Stroud RD in Kinston will be accepting household trash, furniture and mattresses, however you will be charged if you take it there. We hope you will work with us as the refinishing project of the Transfer Station floor is completed. We will stay open Saturday Sept. 16th until 6 p.m. to help anyone who needs the extra time to adjust appropriately to the closing.

Thank you
